If awarded a scholarship, you may only use your funds toward Registration fees.

Up to four scholarships may be awarded for the 2019 ASET Annual Conference, along with one scholarship for each of the 2019 education seminar series. The scholarship will equal the cost of the meeting registration. Application can be made for no more than two ASET online courses. The scholarship will equal the course registration fee only and does not cover the cost of required course textbooks if applicable. Individuals shall not be eligible for an ASET Scholarship or any other funding from the ASET Foundation in two consecutive years. For additional information, contact Arlen Reimnitz, ASET Foundation Executive Director.

Are you taking board exams this year? Yes No

Include with the completed application:

1. A typed, signed statement of your general activities and interests, career and professional goals, responsibilities of your current position and how the proposed annual conference, seminar or online course will better help you in the course of your day-to-day job, or how the participation in the conference/seminar/online course will aid you in meeting your long-term career and/or professional goals. [250 words or less]
2. A letter of recommendation from your supervisor or administration approving or noting their support of your participation.

It is my understanding that this ASET Scholarship to attend an ASET sponsored education seminar or Annual Conference, or to enroll in an online course, will be awarded for the purpose of allowing me to further my education and training in the neurodiagnostic profession.
